Unity Candelabra

Arch Candelabra

We focus on distinguished products that bring elegance to any event. From our beautiful candelabras to our high quality candles, there is a special touch that we can bring. Our candelabras come in brass, nickel, and white colors. Our mechanical candles are great for any candelabra application where a safe, no drip, and no wilt is desired; but only a real flame is needed. The mechanical candles have a spring that gently pushes upwards on the small wax candle refill inside so you always have the perfect flame, but none of the hassles. The candles will burn for up to 3½ hours.
